FAS3 Status – 10/25/16 7:00 AM

FAS3 is available.

eMARS Payments to Foreign Vendors Message - 9/11/09

Due to changes in the National Automated Clearing House Association (NACHA) Operating Rules, beginning Sept 18, 2009, payments to foreign vendors must be made with a check until updates can be made in the eMARS system. DO NOT process payments to Foreign Vendors via an EFT as they will be rejected. Incoming revenue will also be affected by this change. This message will be updated when the updates have been put into place. Please call the CRC if you have questions.

Please contact the Customer Resource Center if you experience performance issues or identify any potential discrepancies in reports.
Telephone 502-564-9641, Toll Free 800-573-4357 or eMail at Finance.CRCGroup@ky.gov

This site will be updated whenever there is breaking news affecting application availability.
